

SALCHA-DELTA SOIL AND WATER CONSERVATION DISTRICT

P.O. Box 547 – Delta Junction, AK 99737 – (907) 895-6279

September 25, 2020

To Whom It May Concern:

We are writing in support of the Delta Junction Trails Association's grant application for the Delta Junction River Walk Park. We believe it will enhance the quality of life for the residents of Delta Junction by providing a trail system for walking, biking, and skiing.

It will enhance the recreational opportunities for tourists to enjoy the area with beautiful views of the Alaska Range and the dynamic and ever-changing Delta River. The Delta River Walk Park will provide an ideal place for solitude and reflection as well as a venue for recreational activities. We urge you to consider funding this important project.

It has been our pleasure to work with the Delta Junction Trails Association for several years on other projects and have found them to be very well-organized and effective at engaging the public and following through with trail projects. I have no doubt this project will have a positive impact on our community's development, and we look forward to working with them.

Sincerely,

Bryce Wrigley
District Manager
Salcha-Delta SWCD
