Term Expires 2020

Alan Levinson
Council Seat G
Term Expires 2022

Alaska Department of Natural Resources
Northern Regional Office
3700 Airport Way
Fairbanks, AK 99709

To whom it may concern:

Delta River Walk Park continues to be a priority of the City of Delta Junction as we and Delta Junction Trails Association work together to turn this former rifle range and close-by land into a clean, usable trail that supports the community and visitors as they get out to see the beauty of the area in a healthy way. Its location right here in the heart of Delta Junction, so our beautiful mountain view adds extra value to its development.

The City has been involved from early on, reviewing plans and putting on the stamp of approval to continued connection, working with contractors and State departments on clean-up and letting waste be hauled to our landfill at a reduced rate so that the project can continue to move forward. In the spring of 2020, we were out in the area with Delta Junction Trails Association members, evaluating what the City could do to assist in the next steps of the project.

As you may be able to tell from the above paragraphs, though Delta Junction Trails is still the main driver of this project, the City of Delta continues to be very supportive, working arm in arm with them, as part of it is on City land and will be a great improvement to the use of the property! We are very hopeful that DJTA will get a grant so that now that this is more cleaned up, they can move forward with trail work.

If anyone would like to talk to me regarding this topic, you may email me at mleith@deltajunction.us or call me at 907-895-1081.

Sincerely,

Mary A. Leith
City Administrator
